

HAND STACK SOD HARVESTER

SH-1580

**THE RETRO 1500 CUTTING HEAD IS THE
LIGHTEST AND MOST DURABLE ON THE MARKET**

The Model 1580 is a Retro A3A Conveyor, ideal for soft conditions. The design infuses the light weight and durability that the original Brouwer Conveyors were famous for, with current technology using the Exclusive Low Profile Rubber Belt that is gentle on Turf and durable for long life. Cut-off spring tension, thickness and pitch are all adjustments that are made easy to allow you to cut the best quality piece of Turf. Current Sprockets, Sliders and Hydraulics make this machine suitable for extreme conditions.

FEATURES:

- Exclusive Brouwer gentle low-profile rubber mat with polyethylene sliders
- Retro 1500 Cutting Head – The lightest and most durable Cutting Head on the market – unmatched in soft soil conditions
- Independently mounted Curved or Cross Conveyor
- No waste: cuts close to pipes, fences and ditches
- Quick, easy cut-off spring tension adjustment
- Works well in all soil conditions
- Hydraulic flap control (Roll)

OPTIONAL:

- Auto-steer with fine micro adjustment
- Brush attachment keeps turf free of debris and clippings
- Optional 4 wheel drive
